AUTONOMOUS UNIVERSITY OF THE STATE OF HIDALGO

AND

(partner institution)

The Autonomous University of the State of Hidalgo (UAEH) and _____ have the intention to link their mutual academic, scientific and cultural interests by establishing and reinforcing the relationship and understanding between Mexico and _____. This letter aims to underwrite, in a near future, a collaboration agreement between the UAEH and _____ that contributes to international development, cooperation, cultural and academic exchange, and that strengthens friendship between parties.

Both parties agree to make an effort to develop, among others, the following forms of cooperation:

- To encourage cultural, academic and scientific exchange
- To start and develop joint projects
- To spread artistic and cultural expressions
- To favor academic exchanges in congresses, events, seminars, fairs, exhibitions and activities that take place in both countries
- To support the learning of language and culture
- Any other important activity of mutual interest

Each party agrees to work collaboratively for the development of specific agreements regarding the previous points. These agreements must include the logistics and management details to reach a successful operation of the programs.

This letter of intent was read and signed in duplicate, in Spanish and in (language of the partner institution), in the city of Pachuca, Hidalgo on _____, 20_____.
